**Subject:** Willamette needs cleanup that's good for business

Portland's blue-collar harbor jobs will suffer if the cleanup plan is too expensive.

Please know that so many important jobs in Portland are tied to the Willamette River. I support a river cleanup but I'm worried that the plan will be so inflexible and expensive that it will drive out small businesses.

Please consider all the facts and support a plan that protects the environment AND local jobs.

Sincerely,

(b) (6)
